WHEN

Until Saturday 17 January 2009
Anytime between 10am and 2pm daily

WHERE

Outside Woolworths, Booval Fair

COST

FREE!

"The 'Little Green Thumbs Tomato Patch Program' is a fantastic new and exciting avenue for school holiday entertainment. During the time at our centre, Andrew ensured each child was given one on one attention and made it exciting for them to learn about how to become a mini gardener. The display was maintained in a neat and inviting manner. Andrew was polite, pleasant and knowledgeable and did everything to ensure it was a fun and educational experience. I would recommend this program to anyone who is looking for a new and fun learning experience for School Holidays."
